Amendment to the results.

Due to a variety of reasons outside our control some of the numbers got mixed up at last Saturday's race. Although we have let most results stand, one change was made as it has a bearing on the cup results. Based on this correction the Primary School Girls Cup has now been awarded to HAMPDEN ST SCHOOL. It was a very tight competition with only a few points in it. Our apologies to the girls of both Henley and Hampden St. You all ran brilliantly and deserve recognition.
